

The undersigned recommends Plaintiff's motion for summary judgment be denied without prejudice as premature at this time. Courts have exercised caution in considering summary judgment motions before the defendants have filed an answer. See 11 *Moore's Federal Practice* § 56.60(2)(a) (3rd ed. 2013). The Supreme Court in *Anderson v. Liberty Lobby* stated that "summary judgment [must] be refused where the nonmoving party has not had the opportunity to discover information that is essential to his opposition." 477 U.S. 242, 250 n.5 (1986). Therefore, because defendants have not yet made an appearance in this matter or otherwise had an opportunity to discover information essential to oppose Plaintiff's motion, the undersigned recommends Plaintiff's motion for summary judgment be denied without prejudice.

IT IS SO RECOMMENDED.
